

GENERAL PLAN MAP

What is this map?

This General Plan Map is a part of the General Plan which was adopted by the Community in 2006.

The General Plan text describes general development goals and policies for the Community.

This General Plan Map is used to guide decisions about what land uses and zoning should be permitted in the various areas of the Community, based on the Community's goals and policies.

Where different types of land uses would be appropriate is designated on this map by the different colors.
